Versatile, intuitive and productive

The DS-64i folder inserter can accommodate a wide range of documents, inserts and business reply envelopes (BRE) making it the ideal choice for a variety of applications and office environments. The DS-64i combines unparalleled ease-of-use with advanced technology. The intuitive colour touch screen control panel prompts the operator through each step of job setup and operation. Quadient Remote Assistance enables folder inserter diagnostics and operator support to increase mail assembly productivity.

Easy operation

The colour touch screen display and automatic job setup make the DS-64i exceptionally easy to use. Simply load envelopes and documents and the DS-64i will adjust all settings automatically and even save them to the memory for instant recall. And, with automatic adjusting feeders, it can't get any easier.

The DS-64i is compatible with **docsecure by Quadient**, the only fully cloud-based, closed-loop solution that tracks document integrity at every step, providing comprehensive reports to prove compliance. It provides the highest level of mail piece integrity by tracking, recording, and reporting on the entire folding and inserting process, from start to finish.

DS-64i

1. High-Capacity Vertical Stacker

Preserves printing order and holds up to 500 finished envelopes so operators spend less time unloading

2. Touch Screen Display

7" colour graphical interface with wizard-based programming makes operation simple and intuitive

3. Feeder Linking

Continuous operation is achieved by linking feeders. If one feeder runs empty, another one automatically takes over, allowing you to refill as needed until your job is complete

4

4. Envelope Hopper

150-envelope capacity with on-the-fly reloading

3

5

5. Automatic Collator

Collate and fold up to 8 pages together

Processing flexibility

DS-64i's FlexFeed function allows you to process all document formats (inserts, documents and business reply envelopes, etc.). Additionally, the "Daily Mail" function even allows hand feeding of multi-page stapled document sets.

Efficient processing

Load the feeders, and the DS-64i will accurately assemble the documents, fold, insert and even seal the finished envelopes, all in one quick process. The high-capacity envelope stacker is designed to improve accessibility and unloading of envelopes on the fly.
